# 3/4" Drive Quick-Release Teardrop Ratchet

ST16901SC

SATA ratchets come in standard and metric sizes and are also available in convenient sets. Perfect for any mechanic's toolbox, these high-quality ratchets are ideal for auto repair, farm equipment, off-road applications or removing heavily rusted, stuck-on nuts and bolts. Grip the tool with ease when working on heavy machinery or large industrial equipment. Covered by a lifetime , SATA ratchets help you get the job done.

## FEATURES

- Quick release design allows rapid socket removal
- Flush mounted reversing lever allows user to change direction with one hand without removing the wrench
- Teardrop, low-profile head and flush-mounted on/off switch allow better access in tight spaces
- Bright, full polish chrome finish easily wipes clean and resists corrosion
- Chrome vanadium alloy steel (Cr-V) for exceptional strength and durability
- .
