# 1/2" Drive 12 Point Deep Socket 18mm

ST13818

SATA ratchets come in standard and metric sizes and are also available in convenient sets. Perfect for any mechanic's toolbox, these high-quality ratchets are ideal for auto repair, farm equipment, off-road applications or removing heavily rusted, stuck-on nuts and bolts. Grip the tool with ease when working on heavy machinery or large industrial equipment. Covered by a lifetime , SATA ratchets help you get the job done.

## FEATURES

- Double hex (12pt) fastener end design
- Off-corner loading design reduces fastener rounding
- Deep socket to reach more fasteners
- Large markings offer easy size identification
- Double line (SAE) & knurled line(MM) to easily identify standard and metric sockets
- Manufactured to industrial specifications assuring a thin wall design with precise nut end dimensions
- Heat treated for long lasting durability
- Bright, full polish chrome finish easily wipes clean and resists corrosion
- Chrome vanadium alloy steel (Cr-V) for exceptional strength and durability
